Litigation & Disputes, select credentials

Thorndon Partners' senior team have been instructed to provide strategic communications support for a range of high-profile disputes, working with leading international law firms.

Public international law: Advising foreign governments on multiple treaty arbitrations and international tribunal disputes, including the International Court of Justice, the European Court of Human Rights and UN Security Council hearings.

Complex multi-jurisdictional disputes: Providing communications support for asset recovery litigation in the London High Court regarding a billion-dollar business, with satellite litigation in Norway, Hong Kong and Russia.

International arbitration: Managing international and domestic communications for a West African government involved in multi-billion-pound arbitration proceedings, including in follow-on litigation in the London High Court.

Sports disputes: Representing a global network of football agents in their successful competition arbitration against FIFA in the UK, including crisis and scenario planning, media engagement with top-tier global sports press, and arranging interviews in Germany and Spain.

Investor-state disputes and enforcement: Acting for renewable investors pursuing a European government for hundreds of millions in unpaid arbitration debts, including media engagement with international and local press, public affairs in Brussels and defendant country, and advising on an EU state aid investigation.

Class actions: Providing claimant-side communications advice to millions of consumers bringing actions against Google, TikTok and Facebook; conducting detailed polling and focus groups for multinational defendants facing class actions.

Judicial review: Supporting a high-profile private equity firm and (in a separate action) a well-known consumer brand, with communications and public affairs support around its high-profile judicial review against the government.

Other credentials include: Commercial litigation | Civil fraud | Asset recovery | Judgment enforcement | Breach of contract disputes | Collective competition proceedings | Opt-in group litigation orders | Bankruptcy and insolvency disputes | Financial and blockchain disputes | Audit negligence proceedings | High-profile regulatory investigations.
